## Sansone Group Ensures Stability of National City Center

---

**St. Louis, MO - Sansone Group renewed and expanded AIG Domestic Claims Inc. in National City Center in Clayton, MO.** Mike Carlson, CCIM, Director of Office Services for Sansone Group sealed the renewal and expansion of AIG's 45,756 SF space. "Renewing AIG and expanding them in the building only enhances the long-term stability of National City Center," Carlson said, "A transaction this large is key to the potential sale of National City Center."

National City Center is currently owned by TA Associates Realty. George Convy of CB Richard Ellis and RA Herrington of Collier Turley Martin and Tucker represented AIG Domestic Claims Inc. Mike Carlson represented TA Associates Realty in the transaction.

Founded in 1957, by Chairman and CEO Anthony F. Sansone, Sr., Sansone Group is a nationally recognized commercial real estate firm specializing in property and facility management, brokerage, development and redevelopment of retail, industrial, office, medical and residential properties. The company manages over 20 million square feet of property in ten states classifying it as one of the largest in its field.
